101 Autodesk Maya Tips  
Basically, 101 Autodesk Maya Tips is exactly what it sounds like: a compilation of quick tips for using Autodesk Maya. Some of the tips are as brief as one sentence, but a few are more involved. It seemed like the majority of the content was based around Mel scripting, and various ways to automate particular tasks. I have not worked with Mel scripting much, and am still trying to wrap my head around the interface and UI of Maya.
