2008 BMW 328i Problems and Complaints - 10 Issues  
I purchased a 2008 BMW 328i (manual transmission) in august of 08 and have been experiencing significant issues since then. First, I was waiting in my car with the engine on in neutral and after about three to five minutes the engine vibrated heavily and the check engine light came on. I took it in for service and the invoice cited fault code 2a38 (Valvetronic sluggish movement). The exact ...
