This book is written for lawyers who want to master the art of practicing law, whether they are in private practice, in government agency practice, or working in-house for a business corporation or a non-profit organization. The book fills the gap between the critical skills taught in traditional law school courses and the additional skills and attributes that are needed to be highly effective as a lawyer. Law students reading this book will gain helpful insights about the practice of law as they decide where they want to practice. Practical guidance is provided on a number of topics, including these: building trust in professional relationships; communicating effectively with clients, colleagues and other people; dealing with difficult people; developing leadership skills; creating and maintaining solid relationships with clients; representing clients well; effective advocacy; the art of negotiation; using case themes and storytelling in civil lawsuits; taking effective depositions; working with expert witnesses; making the most of mediation as an alternative to litigation; handling ethical challenges; representing clients wholeheartedly without compromising personal morality or integrity; and maintaining personal well-being. The author is a successful lawyer with extensive experience, both as a law firm partner in private practice and as Assistant General Counsel in the legal department of a Fortune 100 company.

Whether you are starting law school or preparing to start the practice of law, you need to learn the essential skills and theory of your trade. A Lawyer Writes puts the reader in the place of a first-year attorney tasked with real life assignments. In doing so, it teaches law students not only how to succeed in law school, but also how to succeed in the practice of law. The book uses graphics and visual samples to demonstrate the variety of ways in which attorneys write effectively, showing best practices in both traditional and electronic environments. Speaking to its reader in a straightforward manner, A Lawyer Writes communicates essential skills and theories so that they will be retained for a lifetime of legal practice.

With a focus on the similarities between real-world depositions, Preparing Witnesses, Third Edition, provides strategies to make a witness comfortable and effective in the courtroom. Preparing Witnesses, Third Edition, will aid in refining skills for delivering witness testimony with an impact.

A high level of pay doesn't necessarily mean a high level of satisfaction. Written in a fun and inspirational way, this book will help lawyers find a way to happiness in their career and life. Starting with self examination, readers will be able to analyze their personal values and then create their own personal fulfillment plan. Create a step-by-step plan for life and career that will get you back on track with your personal definition of happiness with this important book.

This invaluable guidebook is written for people who are thinking about hiring a lawyer to represent them in a personal legal matter or to represent their business. The book contains useful checklists and clear descriptions of the practical steps you can take to find lawyers with the legal skills and personal qualities that will serve you well. You will learn how to research lawyers online, identify lawyers to avoid, and interview lawyers before deciding which lawyer to hire. The author is an experienced lawyer who built a successful private law practice representing individuals, small businesses and large companies and then, as the senior litigation manager for a Fortune 100 company, selected and managed lawyers all over the country.

Shakespeare for Lawyers contains more than 100 funny, sharp, witty, sad, and instructional quotes pulled from Shakespeare's plays and sonnets by a lawyer, for lawyers, and includes instructions on how they might be used in a courtroom,

mediation, or elsewhere. And of course, the book features an extra section exploring what the Bard had to say about the law and those who practice it.

Lawyering skills are increasingly part of undergraduate law degrees as well essential elements in the postgraduate vocational law courses, the LPC and the BVC. This fully updated third edition continues to bring together the theory and practice of these skills in an accessible and practical context. The authors draw on their vast experience of law in practice to develop the core skills taught on both undergraduate and postgraduate courses. Skills covered include: written communication mediation information technology opinion writing drafting advocacy interviewing negotiation legal research. Each chapter uses diagrams, boxes, lists and flow charts to further explain and develop each skill and ends with a further reading section. A Practical Guide to Lawyering Skills is essential reading for all undergraduate and vocational law students seeking to develop the necessary skills to work successfully with law in the twenty-first century.

This book will save you money. Even if the divorce is completely straightforward, and there are no arrangements for children and finances to sort out, a solicitor will typically charge between GBP500 and GBP1000 to deal with the divorce for you, not including court fees. If there are arrangements for children or finances to sort out, then the solicitor's fees are likely to be many times that sum. This book is for the increasing number of people who have to go through divorce proceedings without legal assistance, and for those who just want to save legal costs. It includes: *A guide to divorce proceedings, including completing all the required forms. *Sorting out financial/property arrangements, whether by agreement or through the court. *Making arrangements for children. *Details of child support maintenance. *Dealing with domestic violence, costs and mediation. *Plus specimen forms, useful addresses and websites, and a detailed glossary of legal terms. This book is for anyone who is seeking or contemplating a divorce, or anyone whose spouse has issued divorce proceedings against them. Even if you are separating from your spouse and do not wish to divorce at this time, this book will be useful to you as many of the principles with regard to arrangements for children and sorting out finances are the same. Contents: 1. Divorce; 2. Children; 3. Child maintenance; 4. Finances and property; 5. Domestic violence; 6. Mediation; 7. Costs and legal aid; 8. Final thoughts; Appendix 1 - Example Documents; Appendix 2 - Useful Addresses and Websites; Appendix 3 - Glossary; Appendix 4 - List of Divorce County Courts; Index.

For proven guidance and techniques for handling a commercial real estate deal, this practical guide will help you negotiate and close the deal. The authors cover each step of a real estate transaction in the order in which it generally arises, and offers pertinent advice, practice comments, and sample forms throughout. Because much of the real estate lawyer's practice revolves around transactional documents, the book's chapters emphasize the drafting, negotiation, and revision needed to get a deal closed. Written by a law professor and two real estate practitioners, this book offers a useful combination of text overview and practice pointers. It helps lawyers with less experience navigate through the maze of steps involved in a real estate transaction. At the same time, it serves as a valuable reference for more seasoned attorneys as well as those whose practice is concentrated in other areas of the law. Downloadable forms are available online.

Whether you are a law clinic student making your first foray into criminal defense, a newly admitted attorney, a general practitioner, or an attorney whose practice is concentrated in criminal defense, Representing the Accused will provide you with invaluable advice as you navigate your way through a criminal case. Authored by an experienced criminal defense attorney in a large public defenders office who has personally handled thousands of criminal cases, supervised representation in thousands more, and trained scores of attorneys, this book provides insight and guidance on how to efficiently and effectively manage each step in the handling of a criminal case. In order to help you provide quality representation to your clients, this publication offers clear explanations of a criminal attorneys role at every stage, from the arrest through the conclusion of the case.
