Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of Milady Standard Cosmetology, the most commonly used resource in cosmetology education. For decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waived. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. Milady Standard Cosmetology will continue to be a source of education that students can count on, not only while in school, but throughout their careers. Milady Standard Esthetics Fundamentals, 11th edition, is the essential source for basic esthetics training. This new edition builds upon Milady's strong tradition of providing students and instructors with the best beauty and wellness education tools for their future. The rapidly expanding field of esthetics has taken a dramatic leap forward in the past decade, and this up-to-date text plays a critical role in creating a strong foundation for the esthetics student. Focusing on introductory topics, including history and opportunities in skin care, anatomy and physiology, and infection control and disorders, it lays the groundwork for the future professional to build their knowledge. The reader can then explore the practical skills of a skin care professional, introducing them to the treatment environment, basic facial treatments, hair removal, and the technology likely to be performed in the salon or spa setting. This revised edition is completely updated in both theory and the practice of barber-styling and brings you the latest in men's haircutting and styling, along with the most current information on barbering tools and implements. Revised using input from our current textbook users and the expertise of the National Association of Barber Boards, the textbook and corresponding supplements, also revised, are designed to better prepare your students for state licensing exams and successful careers in the professional market. A greater variety of multicultural cuts and styles are used throughout to reflect the range of clientele students may service during their professional career.

Milady Standard Barbering, 6th edition, continues to be the leading resource in barbering education, providing students with the foundational principles and techniques needed to be successful while in school, pass their licensing exam, and launch them into a thriving career. Incorporating new photography, artwork and overall layout, the look and feel of this edition has been transformed, resulting in a sleek and clean design to engage and inspire today's student. Content has been updated within each chapter with a major focus on the procedures, infection control, life skills and business chapters, just to name a few. In addition, classic techniques have been paired with contemporary looks to ensure success both while in school and beyond to employment.
