By it, rural and farm life forms are idealized as a counterweight to urban ones. It is tied to the contemporaneous German concept of Lebensraum, the belief that the German people were to expand into Eastern Europe, conquering and displacing the native Slavic and Baltic population via Generalplan Ost. "Blood and soil" was a key slogan of Nazi ideology. The na

"Ben Kiernan's **Blood and Soil** is a major work explaining myths and metaphors that have underwritten genocide for six hundred years—earlier within the bowels of the western tradition; now commonplace practice far beyond that tradition. In seeing genocide as linked to issues of land as well as race, nation, and expansion, Kiernan has opened up social, political, and economic analysis to the struggle for land and the control of property.
