~~COVID-19—information and guidance for social community~~

Community services play a key role in keeping people well, treating and managing acute illness and long-term conditions, and supporting people to live independently in their own homes. Community services are central to plans for the future of the health and care system. The NHS's new long-term plan sets out ambitions to 'boost "out-of-hospital" care, and finally dissolve the historic divide between primary and community health services'.

~~Community Care and Health (Scotland) Bill~~

The NHS and Community Care Act 1990 was the first major reform of the NHS since it began in 1948. Based on the 2 white papers 'Working for Patients' (1989) and 'Caring for People' (1991), this was the first legislation to try to bridge the gap between health boards and local council social services.
