Kumihimo kits | Etsy

Kumihimo is an ancient Japanese craft, that makes braids of many different structures. It was first done with hands alone, but stands (Marudai, Takudai) were later developed to hold the cords, and the braid as it grows, freeing up the braider's hands for faster, easier, and more complex manipulations. Now boards made of dense foam, with slots around the edges to hold the strands, are readily available.

Kumihimo Supplies - Earth Guild

Description The friendship bracelet grows up! A beginner's guide to making flat braids for fun and fabulous cord jewellery and accessories, complete with a lightweight but sturdy square kumihimo braiding loom to get you started. A must-have book for anyone from tween to adult, who enjoys making their own jewellery.
