Computer Studies The resources below on Computer Studies have been provided by WAEC to assist you understand the required standards expected in Computer Studies final Examination. Students performance in examination under review was done by the Chief examiner, this you will see while exploring links like General Comment, Performance, Weaknesses, Strength and Observation on respective Questions.

### Computer Studies - WAEC

Questions on the WASSCE Computer Studies theory section may be specified to be answered by candidates from a particular country and this happens mostly in the theory section. A WASSCE question paper on a particular subject may be entirely cancelled and changed in a region when the West African Examination Council (WAEC) heading that region suspects a leakage of examination papers before the start of the exam.

This second edition of a GCSE computer studies text includes chapters on personal computers and desktop publishing, spreadsheets and their applications, and detailed case studies illustrating how a computer system can revolutionize the working environment. The Data Protection Act is also included, together with project work, an extended section on coursework, advice on how to revise and hints on how to pass examinations. Key words are explained in the text in context and highlighted with bold type, and also explained in an extensive glossary.

Part of a series designed to give intensive instruction for GCSE exams. This book contains, aside from the basic text, advice on revision and exam technique and self-test sections.

Cambridge IGCSE Computer Studies Revision Guide is designed to help students prepare for the examination. The book instills confidence and a thorough understanding of the topics learned by the students as they revise for an examination in Computer Studies.
