Cohen, a physicist at the University of Pennsylvania, was diagnosed with multiple sclerosis. But it wasn't until 10 years later that the "dirty details" began, when the disease had progressed to the point where he could not transfer himself out of his wheelchair. That point is where his wife Marion begins her memoir of caregiving: "If I had to explain it in three words, those words would be 'nights,' 'lifting,' and 'toilet.' And then, if I were permitted to elaborate further, I would continue, 'nights' does not mean lying awake in fear listening for his breathing. 'Lifting' does not mean dragging him by the feet along the floor. And 'toilet' does not mean changing catheters." But "dirty details," Marion Cohen teaches us, involves more than "nights," "lifting," and "toilet." There is the loss, anger, fear,

Acces PDF Dirty Details The Days And Nights Of A

and desperation that envelops the family. She reveals what it felt like to be consistently in "dire straits" with no real help or understanding, what she characterizes as society's "conspiracy of silence." Chronicling their lives in the context of her husband's progressing disease, she discusses the raging emotions, the celebrations, the day-to-day routine, the arguments, the disappointments, and the moments of closeness. During the 15 years she cared for him at home, both continued to work on various projects, share in the rearing of their four children, and be very much in love. This powerful, honest narrative also delves into the process of making the "nursing-home decision" and those decisions Cohen made to put her and her family's life together again.

DIRTY DAYS is a ride back in time to the underbelly of New York City's long lost, rough, grimy era. The Setting - the tough Irish bars of New York City in the 1970's, 80's, and 90's. As a Bleecker Street bouncer and musician during the 1980's, 90's and early 2000's in Greenwich Village, author Kevin Patrick Corrigan re-lives true stories of old New York City. Kevin Patrick Corrigan has been a fixture in the New York City Irish bar and music scene for three decades. He estimates he's been in over 200 street and bar fights. He smiles when he says he has a record of 147 wins and 72 loses. He has had a major record deal. He has toured the country telling stories and singing songs. He has also written a nationally distributed comedy series. **DIRTY DAYS** is a non-fiction narrative that spans from a seven year old

Acces PDF Dirty Details The Days And Nights Of A

Kevin's interactions with Times Square hookers in the 70's, to a full grown adult helping a distraught Gulf War Marine avoid a PTSD situation on Bleecker Street in 2003. DIRTY DAYS is a journey that follows author Kevin Patrick Corrigan from bloody Halloween street fights - to being taught sage wisdom from baseball legend Yogi Berra - to opening up for Alice Cooper, The Scorpions, and KISS - to being in a riot with 200 drunk sailors during Fleet week - to being asked to take a bullet for Snoop Dogg. Those are just a sample of some of the many true accounts in this emotionally dramatic and often laughed filled book.

It is 1933. As a beat-up truck travels down a road away from Arkansas, seven-year-old Molly May Dowden can

Acces PDF Dirty Details The Days And Nights Of A

only hope a better future awaits her parents in Thistleway, Oklahoma. They have no idea of what is about to come. With their money safely tucked away in a mattress, the Dowdens feel hopeful as they pass through Oklahoma City. But their hopes for an improved life disintegrate a hundred miles further west when a dust storm swirls dangerously around their truck. Forced to take shelter inside a dingy cafe with a band of quirky strangers, the Dowdens soon realize that life in Oklahoma may not be as easy as they had hoped. After the family finally settles in their two-room workers' shanty, one hardship piles up after another as they battle spider bites, rancid water, strange rashes, loneliness, and death. Left with no choice but to bravely persevere through the never-ending drought and

Acces PDF Dirty Details The Days And Nights Of A

dust, Molly and her family soon discover a fortitude they never knew they had. In this historical tale based on true events, a young girl embarks on a coming-of-age journey where she and her loved ones must nobly fight to survive the Great Depression and the Oklahoma Dust Bowl.

From the author of the #1 New York Times bestselling series *The Clique* comes Lisi Harrison's debut adult novel about four modern-day strangers who inherit a dirty book club that was started in the 1960s. M.J. Stark's life is picture-perfect—she has a dream job as a magazine editor, a sexy doctor boyfriend, and a glamorous life in Manhattan. But behind her success, she can't shake a deep sense of loneliness, so when her boyfriend offers her a completely new life in

Acces PDF Dirty Details The Days And Nights Of A

California, she decides to give it a try. Once there, M.J. is left to fend for herself in a small California beach town, with only the company of her elderly neighbor, Gloria. One day M.J. receives a mysterious invitation and a copy of *Prim: A Modern Woman's Guide to Manners*. She recognizes the book as an outdated classic, but when she opens it, she discovers that it's actually a copy of *Fear of Flying* by Erica Jong and the invitation is to join Gloria's secret book club—one that only reads erotic books. Out of curiosity, M.J. goes to the meeting at a local bookstore, and discovers three other women who have also been selected by the club's original members—who have suddenly left the country to honor a fifty-year-old pact. As these unlikely friends bond over naughty bestsellers, each woman shares not only the

Acces PDF Dirty Details The Days And Nights Of A

intimate details of her own sex life, but all areas of her life. Inspired by the characters in the novels they read—and the notes passed down by the club's original members—the new members of The Dirty Book Club help each other find the courage to rewrite their own stories and risk it all for a happy ending.

Life hasn't been easy for Siobhan Dunmoore and many of her fellow veterans since the Shrehari War ended. The Fleet's quick return to a mundane peacetime footing left them unmoored and incapable of fully readapting after years engulfed in an existential struggle. Meanwhile, the memories of all those hard-won lessons, paid for with humanity's dearest blood, are fading as careerists, bureaucrats, and politicians

Acces PDF Dirty Details The Days And Nights Of A

in uniform replace the leaders who brought about the war's end. Yet an increasing number of senior officers understand true peace is illusory. Without an external threat to unify them as a species, humans have resumed their favorite activity — fighting each other in dark and dirty wars for power, profit, or glory. And this despite the risk of eroding the Commonwealth's delicate social and political balance and triggering violent unrest. Ironically, those best suited for stopping nasty, albeit minor conflicts before they escalate, are the very veterans on which the Fleet turned its back. Will Siobhan Dunmoore and her comrades find a new role in halting what could become fatal to human unity, or will they fade away, unwanted, while the Commonwealth begins a long slide into civil discord?

NEW YORK TIMES BESTSELLER • A riveting, true-life legal thriller about the government's pursuit of billionaire hedge fund manager Steven Cohen and his employees at SAC Capital—a revelatory look at the power and wealth of Wall Street ONE OF THE BEST BOOKS OF THE YEAR—The New York Times and The Economist • “An essential exposé of our times—a work that reveals the deep rot in our financial system . . . Everyone should read this book.”—David Grann, author of Killers of the Flower Moon Steven A. Cohen changed Wall Street. He and his fellow pioneers of the hedge fund industry didn't lay railroads, build factories, or invent new technologies. Rather, they made their billions through financial speculation, by placing bets in the market that turned

Acces PDF Dirty Details The Days And Nights Of A

out to be right more often than not. Cohen was revered as one of the greatest traders who ever lived. But that image was shattered when his fund, SAC Capital, became the target of a seven-year government investigation. Prosecutors labeled SAC a “magnet for market cheaters” whose culture encouraged the relentless pursuit of “edge”—and even “black edge,” which is inside information—and the firm was ultimately indicted and pleaded guilty to charges related to a vast insider trading scheme. Cohen, himself, however, was never charged. Black Edge raises urgent and troubling questions about those who sit at the pinnacle of high finance and how they have reshaped the economy. Finalist for the New York Public Library’s Helen Bernstein Book Award for

I met him at the candy store. He turned and smiled at me and I was surprised enough to smile back. This was not a children's candy store, mind you—this was the kind of place you went to buy expensive imported chocolate truffles for your boss's wife because you felt guilty for having sex with him when you were both at a conference in Milwaukee.

Hypothetically speaking, of course. I've been hit on plenty of times, mostly by men with little finesse who thought what was between their legs made up for what they lacked between their ears. Sometimes I went home with

Acces PDF Dirty Details The Days And Nights Of A

Well Spoken, just because it felt good to want and be wanted, even if it was mostly fake. The problem with wanting is that it's like pouring water into a vase full of stones. It fills you up before you know it, leaving no room for anything else. I don't apologize for who I am or what I've done in—or out—of bed. I have my job, my house and my life, and for a long time I haven't wanted anything else. Until Dan. Until now.

Bullies. Cliques. Peer pressure. Teenage girls have had enough! Mean Chicks, Cliques, and Dirty Tricks is the first book to give teenage girls the lowdown on everyday issues in today's tough girl world, from gossip to gangs.
