Doing the right thing isn't always easy! Like all children, Annie sometimes gets really, really angry! For example, if a picture she's drawing isn't just right, or if her mum won't let her have a cookie when it's just before dinner time, or if her brother won't play the way she wants to... How can she stay calm? This book explores different scenarios that would make a child angry and then give ...

This series looks at child-centred social issues such as hitting, being fair, getting angry and feeling sad. The right and wrong decisions are explored in each situation.

Whimsical illustrations and simple, engaging narrative guide readers through different situations Annie faces that cause her to get angry. She becomes frustrated when her dog drawing comes out poorly. Her mother will not allow her to have a cookie before tea. Her little brother is not playing a game correctly. Annie chooses one out of three behaviors for each situation, and the consequences of that choice is explained. A "How to Use This Book Section" for both parents and children shows how to apply these lessons to real life.

Whimsical illustrations and simple, engaging narrative guide readers through different situations Annie faces that cause her to get angry. She becomes frustrated when her dog drawing comes out poorly. Her mother will not allow her to have a cookie before tea. Her little brother is not playing a game correctly. Annie chooses one out of three behaviors for each situation, and the consequences of that choice is explained. A "How to Use This Book Section" for both parents and children shows how to apply these lessons to real life.

For years musician and author Annie Chapman (Entertaining Angels, 10 Things I Want My Husband to Know) walked a tightrope. Outwardly calm, she felt anger seething behind her smile, waiting to erupt at the slightest provocation. But today peace permeates her life! What happened? With an compassionate heart, Annie offers others struggling with anger the insights she gained and the solution she found. Acknowledging anger's power, Annie encourages perseverance: "For some, dealing with anger is simple and pain is resolved quickly. For others, healing requires intensive care by the Great Physician and hard work on our part." Letting Go of Anger helps readers... know what anger is identify its causes define their anger recognize warning signs draw on God's Word for wisdom With Jesus' help, readers will discover how to let love heal their wounds, learn to forgive, and move forward in freedom.

Bob Harrison was an ordinary guy who served twenty-four years in the US Air Force with his wife, Annie, by his side. When Bob retired from the armed forces, he and Annie decided to settle down and try to find the American dream in Wichita, Kansas. Things went well for a few years, and their two small antique businesses thrived. Then, on a warm summer day a stranger came out of nowhere, knocked on their door, and immediately transformed their lives into a clash of two worlds. The stranger's name was blood cancer, full of chaos, evil, and the inhumane—versus love, compassion, hope, and faith. Through Bob, from his eyes as a loving caregiver, you'll see the trauma, feel the pain, hear the laughter, and share in the love of two people that fought until the end. This is not an ordinary trail on a walk through cancer. It's a chronological journey from the beginning to the end, with an unlikely twist. Bob's hope and dream is that someone will learn from his experience and not have to relive this story. After all, it's Annie's story—Because of Annie.

This accessible value education title explores the story of an impatient child named Tilly who does not like waiting or letting others have their turn. She wants to play the video game her brother is playing. She wants to go on the seesaw her friends are on. She wants to tell her parents about her swimming lesson in the middle of their conversation. Tilly chooses one out of three behaviors for each situation, and the consequences of each choice is explained. The interactive question-and-answer approach engages the reader in real-life situations, while the charming, colorful illustrations keep the tone of the book whimsical and playful.

The theme of lost childhood remains constant in this short fictional narrative of rebellious Annie John's coming of age on the small island of

Antigua

Annie Glover's grandma is always protesting something, but she goes too far when she chains herself to a century-old tree and names it Elmer. Elmer is scheduled to be cut down to make way for a new swimming-pool complex and Grandma is trying to save him, but Annie wants that swimming pool—and so do all her classmates. Now she must endure all the other fourth graders asking her embarrassing questions and that pesky Leroy Kirk calling her a "tree lover." However, as Annie considers what Elmer means to her town and to herself, she begins to think that maybe Grandma's not so crazy after all. Adorable illustrations perfectly capture Annie's scheme to save Elmer—with the help of her teacher, her best friend, a zany trio of parachuting Elvis impersonators, and, yes, even Grandma.

There really is a monster in the hallway. be careful. Your bedroom door will open, throwing light on your face. You'll feign sleep. The door will close behind your father, and darkness will descend. This novel peeks through the fence at what only looks like an ordinary house, where a little girl navigates a childhood shrouded in taboo. Based on true stories and real people. The Ugliest Word is a quick read that will not only shock you, it will alter your world view.

This series looks at child-centred social issues such as hitting, being fair, getting angry, and feeling sad. The right and wrong decisions are explored in each situation.

"[A] portrait of a gritty mother and daughter, living on the edge of poverty, who find an unlikely home amid the quirky residents of small town America" --
