EngageNY is Eureka Math. The material Eureka Math is based on was originally created through a partnership with the New York State Education Department. Their expert review team, including renowned mathematicians who helped write the new standards, progressions, and the much-touted "Publisher's Criteria," strengthened an already rigorous development process.

Eureka Math A Story of Units. Eureka Math is based on the theory that mathematical knowledge is conveyed most clearly and effectively when it is taught in a sequence that follows the "story" of mathematics itself. In A Story of Units, our elementary curriculum, this sequencing has been joined with methods of instruction that have been proven to work, in this nation and abroad.
