the Norm in Health Care Policy And Management Decisions

World Evidence-Based Healthcare Day takes place on Tuesday 20 October 2020. NICE is an official partner in this global initiative. But what do we mean by 'evidence-based' and why is it important to work in this way? Being evidence-based is about objectivity. Most people would agree that this is important.

World Evidence-Based Healthcare Day:
Using evidence to ...

Evidence-based practice (EBP) is the use of practice and interventions that are empirically shown to lead to improvements in desired outcomes. This report explores evidence-based practices broadly, i.e. evidence-based interventions, and frontline day-to-day practice and strategies in health and social care services that are based on evidence.
