~~Give Me Liberty: A Handbook For American Revolutionaries~~
Give me Liberty defines in a nutshell what it really means to be an American. Not a false patriot, who sits in front of a tv listening to Glenn Beck or CNN, but anyone in the world who values freedom. This is what our founding fathers meant for us. Not an inherited status deserved because of where you were born but what you do with it.

Where TEOA has the references and detail, Give Me Liberty follows up on those themes and provides guidance on where to take it next, if you are so inclined. The author's style is engaging and there is good material here. I would recommend this as the advanced course of The End Of America.
