The 180 Days of Problem Solving for Grade 4 offers daily problem-solving practice geared towards developing the critical thinking skills needed to approach complex problems. This teacher-friendly resource provides thematic units that connect to a standards-based skill that fourth grade students are expected to know to advance to the next level. Lesson plans offer guidance and support for every day of the week, outlining strategies and activities that dig deeper than routine word problems. Each week students will use visual representations and analyze different types of word problems (including non-

Access PDF Go Math 4th Grade Practice Answers

routine, multi-step, higher thinking problems). This comprehensive resource builds critical thinking skills and connects to national and state standards.

This is a perfect supplement to any classroom math curriculum. The book covers 40 weeks of daily practice. It includes 4 math exercises a day for four days a week. A separate assessment is included with every exercise.

A workbook offering sample questions and tests, designed to help students become familiar with test formats and content.
