Charlie struggles to cope with complex world of high school as he deals with the confusions of sex and love, the temptations of drugs, and the pain of losing a close friend and a favorite aunt.

NEW YORK TIMES BESTSELLER • From the stars of the Netflix series Get Organized with The Home Edit (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. “A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way.”—*Glamour* (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it’s not hard to do—in fact, it’s a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea’s signature approach to decluttering. The Home Edit walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don’t need another do-over in six months. When you’re done, you’ll not only know exactly where to find things, but you’ll also love the way it looks. A masterclass and look book in one, The Home Edit is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there’s nothing like a little ROYGBIV to soothe the soul). Above all, it’s like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

This inspiring memoir by the Muslim American Gold Star father and captivating DNC speaker is the story of one family’s pursuit of the American dream. **NAMED ONE OF THE FIVE BEST MEMOIRS OF THE YEAR BY THE WASHINGTON POST** “Moving . . . a story about family and faith, told with a poet’s sensibility . . . Khizr Khan’s book can teach all of us what real American patriotism looks like.” —*The New York Times Book Review* In fewer than three hundred words, Khizr Khan electrified viewers around the world when he took the stage at the 2016 Democratic National Convention. And when he offered to lend Donald Trump his own much-read and dog-eared pocket Constitution, his gesture perfectly encapsulated the feelings of millions. But who was that man, standing beside his wife, extolling the promises and virtues of the U.S. Constitution? In this urgent and timeless immigrant story, we learn that Khizr Khan has been many things. He was the oldest of ten children born to farmers in Pakistan, and a curious and thoughtful boy who listened rapt as his grandfather recited Rumi beneath the moonlight. He was a university student who read the Declaration of Independence and was awestruck by what might be possible in life. He was a hopeful suitor, awkwardly but earnestly trying to win the heart of a woman far out of his league. He was a brilliant and

diligent young family man who worked two jobs to save enough money to put himself through Harvard Law School. He was a loving father who, having instilled in his children the ideals that brought him and his wife to America—the sense of shared dignity and mutual responsibility—tragically lost his son, an Army captain killed while protecting his base camp in Iraq. He was and is a patriot, and a fierce advocate for the rights, dignities, and values enshrined in the American system. *An American Family* shows us who Khizr Khan and millions of other American immigrants are, and why—especially in these tumultuous times—we must not be afraid to step forward for what we believe in when it matters most. Praise for *An American Family* “*An American Family* is a small but lovely immigrant’s journey, full of carefully observed details from the order in which Ghazala served tea at a university event, to the schedule of the police patrols in the Boston Public Garden where Khan briefly slept while he was in between apartments, to the description of Humayun’s headstone as a ‘slab of white marble with soft streaks the color of wood smoke.’”—Alyssa Rosenberg, *The Washington Post*

The #1 New York Times bestselling novel and basis for the Academy Award-winning film—a timeless and universal story about the lines we abide by, and the ones we don’t—nominated as one of America’s best-loved novels by PBS’s *The Great American Read*. *Aibileen* is a black maid in 1962 Jackson, Mississippi, who’s always taken orders quietly, but lately she’s unable to hold her bitterness back. Her friend Minny has never held her tongue but now must somehow keep secrets about her employer that leave her speechless. White socialite Skeeter just graduated college. She’s full of ambition, but without a husband, she’s considered a failure. Together, these seemingly different women join together to write a tell-all book about work as a black maid in the South, that could forever alter their destinies and the life of a small town...
