Profit Good Profit Audiobook by Charles G. Koch Good Profit How Creating Value

Good profit results from products and services that customers vote for freely with

their dollars, products that improve people's lives. It results from a culture where

employees are empowered to act entrepreneurially to discover customers'

preferences and the best ways to satisfy them. Good profit is what follows when

long-term value is created for customers, employees, shareholders, and society.

Good Profit: How Creating Value for Others Built One of ...

Good profit is earned by achieving value for consumers instead of just profiting for

the sake of profit or by receiving taxpayer funds through subsidies, exemptions,

and credits. By sticking with this principle throughout their companies, they

continue to earn good profits and succeed.

Good profit results when a company creates value for customers in a way that helps them improve their lives. Good profit is the result of innovations that customers freely vote for with their own dollars; it's the result of business decisions that create long term value for everyone--customers, employees, shareholders, and society.

How Value is Created (Value Defined) In the broadest terms possible, value is created through work. This work could be mechanical (cutting a tree down and turning it into lumber) or creative...

[Why Value Creation is the Foundation of Business: How to ...](#)

When you live in a world that's driven by money, people tend to make decisions that give them the most profit, rather than what adds the most value to people's lives. For example, milk chocolate companies spend millions on advertising to get people to buy chocolates, even though their products are really just sugar at the end of the day.

[Good Profit: How Creating Value for Others Built One of ...](#)

What I consider to be good profit comes from Principled Entrepreneurship—creating superior value for our customers while consuming fewer resources and always acting lawfully and with integrity. Good profit comes from making a contribution in society—not from corporate welfare or other ways of taking advantage of people."
