Honda mowers don't use model years.

They have a "version number" that is called a K-code that is part of the model number. Some K-codes can be in production for years. Recently, certain model mowers were getting a new k-code every 12-14 months. For your

Read Online Honda Hr 216

mower, the digit before the VKA tells me the K-code; your HRR is a K6 model, probably built 5-7 years ago. The most current K-code for the HRR ...
