inclusive development should involve a combination of mutually reinforcing measures including (i) promoting efficient and sustainable economic growth, (ii) ensuring a level political playing field, (iii) strengthening capacities, and (iv) providing for social safety nets.

Inclusive Growth and Inclusive Development
Inclusive growth Over the past two decades, India's contribution to global economic growth has doubled to almost 15 percent. Further, income poverty levels have declined, resulting in 133 million people being lifted out of poverty in the past 20 years. However, nearly 300 million people still live in extreme poverty.

Inclusive growth | UNDP in India
Inclusive sustainable growth UNDP's support to achieve inclusive and sustainable growth helps people to contribute to and benefit from economic growth with minimal impact on the environment. We believe that creating enabling conditions for inclusive growth helps bridge economic, social and environmental gaps for sustainable development.

Inclusive sustainable growth | UNDP
Inclusive Growth is the Answer. So, if there is growth that is exclusive in the sense that it benefits only a few, then inclusive growth is the answer as ultimately, the purpose of growth must be for the overall benefit of society. Indeed, while this might sound radical and veering too much to the Left, the fact remains that unless there is inclusive growth, the voters tend to punish those parties that they perceive as being exclusive growth oriented.

What is Meant by Inclusive Growth and Why it is Important
Inclusive development considers whether development progress is sufficiently widespread for the majority of a population to benefit **Inclusive Growth and Development** from tutor2u **Inclusive Development**

Inclusive Development | Economics | tutor2u
Inclusive Growth – growth that benefits everyone – is in fashion. Its win-win allure, promising a more prosperous economy combined with more equitable society, is proving irresistible. But there seems to be a lot of confusion around what inclusive growth actually means and what an inclusive growth strategy looks like.
