The Indian Penal Code (IPC) is the official criminal code of India. It is a comprehensive code intended to cover all substantive aspects of criminal law. The code was drafted on the recommendations of first law commission of India established in 1834 under the Charter Act of 1833 under the Chairmanship of Lord Thomas Babington Macaulay. It came into force in British India during the early ...

When booze smugglers Jai and Mike reconsider their options after another close brush with the law, their friend Aziz, a corporate lawyer comes up with a plan for all of them to rake in even more money with less risk. Setting up an undetectable, foolproof scam, the boys who grew up together in the same London neighbourhood are now going to grow rich together, and quick. As with the best laid plans, they'd not counted on a few bumps along the way in the form of the intrepid fraud investigator who picks up on their trail, and Pam, the femme fatale whose sari blouses leave less to the imagination than bikinis, who has her eye set firmly on Jai. Knowing you have to risk it big to make it big, the boys put

everything on the line in this high-speed thrill ride of a novel. But will they come out laughing or are they walking into a trap?

Majoritarian State traces the ascendance of Hindu nationalism in contemporary India. Led by Prime Minister Narendra Modi, the BJP administration has established an ethno-religious and populist style of rule since 2014. Its agenda is also pursued beyond the formal branches of government, as the new dispensation portrays conventional social hierarchies as intrinsic to Indian culture while condoning communal and caste- and gender-based violence. The contributors explore how Hindutva ideology has permeated the state apparatus and formal institutions, and how Hindutva activists exert control over civil society via vigilante groups, cultural policing and violence. Groups and regions portrayed as 'enemies' of the Indian state are the losers in a new order promoting the interests of the urban middle class and business elites. As this majoritarian ideology pervades the media and public discourse, it also affects the judiciary, universities and cultural institutions, increasingly captured by Hindu nationalists. Dissent and difference silenced and debate increasingly sidelined as the press is muzzled or intimidated in the courts. Internationally, the BJP government has emphasised hard power and a fast-expanding security state. This collection of essays offers rich empirical analysis and documentation to investigate the causes and consequences of the illiberal turn taken by the world's largest democracy.
