Christopher Columbus wanted to prove he'd reached the edge of India. So, when he returned to Spain in 1493, he brought samples of gold, exotic plants,

Access Free Linde Egu20 Manual

strange birds, and six Taíno "Indians" to the court of Queen Isabella and King Ferdinand. "Kidnapped by Columbus" is the fictional-largely accurate-historical account of the "Indians'" voyage to the Old World told through the eyes of a fourteen-

Access Free Linde Egu20 Manual

year-old Native American. Columbus and his "Indians" returned to Spain at the height of the Inquisition, in the wake of the expulsion of all Jews and the final defeat of Islam in Europe. The "Indians" encounter some of the most prominent figures in history-

Isabella and Ferdinand, Grand Inquisitor Tomás Torquemada, Catherine of Aragón, the ill-fated Prince Juan, and Pope Rodrigo Borgia, who issues Papal Bulls changing the boundaries of the Western Hemisphere to this day. "This cinematic novel contributes

greatly to the debate over how the historical figure of Christopher Columbus should be judged today. It's a captivating read that serves as an interesting introduction to the time when the Spanish Empire was ascendant, detailing an exciting event that is

under-reported by history. It puts the reader into the shoes of a native who was controversially plucked from the shores of the New World and taken to the Old World, as the globe shifted from the Pre-Columbian Era to Post-Columbian Times. But most of all

it's an arresting page-turner and a good old fashioned action-packed adventure tale."-Robert Silverman, Editor-in-Chief, StatePoint Media, Inc. "This fascinating novel offers a historical perspective of the times of discovery of the New World

from the eyes of a Taíno-the first natives who Columbus encountered-which gives a humanly touch and new understanding of this native culture. Marc Wilson recreates the compelling story of Enriquillo, a great leader of the natives in the

What would you do if you were launched thousands of years back

Access Free Linde Egu20 Manual

into Florida's prehistoric era? What would it look like? How would you feel? And how would you return home? Bling! Bling! JJ, Isabella, and Zeke enter a contest at old Fort DeSoto. Their mission is to answer history clues written on a Letter of Marque. But when JJ

finds an old Spanish doubloon, the trio is mysteriously lanuched backward in time. Startled, yet quite curious, the teenagers begin their journey home by following the distant lighthouse on neighboring Egmont Key. Crossing the Egmont Passage, however,

Access Free Linde Egu20 Manual

won't be that easy. The teens must avoid the Tocobaga Indians and the Spanish Fleet, face a crew of drunken pirates, and weather the storm of a major hurricane. And if they are to return safely to present-day Florida, JJ, Isabella, and Zeke

must learn that trust is their most important weapon against the unknown dangers of the passage. Set on the subtropical islands that lay between Tampa Bay and the Gulf of Mexico, Egmont Passage: Tale of the Seventh Mystery explores Florida's rich past as the

teenagers uncover the mysteries on their journey. It is an enchanting and inspiring story that leaves you believing anything is possible on the Egmont Passage. To read a review of this book, please visit <http://www.isladelSolnews.com/hist>

The first book-length account of a story too long overlooked Claro Solis wanted to win a gold star for his mother. He succeeded—as did seven other sons of “Little Mexico.” Second Street in Silvis,

Page 59/92

Illinois, was a poor neighborhood during the Great Depression that had become home to Mexicans fleeing revolution in their homeland. In 1971 it was officially renamed "Hero Street" to commemorate its claim to the highest per-capita casualty rate

Access Free Linde Egu20 Manual

from any neighborhood during World War II. Marc Wilson now tells the story of this community and the young men it sent to fight for their adopted country. Hero Street, U.S.A. is the first book to recount a saga too long overlooked in histories and

television documentaries. Interweaving family memories, soldiers' letters, historical photographs, interviews with relatives, and firsthand combat accounts, Wilson tells the compelling stories of nearly eighty men from three dozen

Access Free Linde Egu20 Manual

Second Street homes who volunteered to fight for their country in World War II and Korea—and of the eight, including Claro Solis, who never came back. As debate swirls around the place of Mexican immigrants in contemporary American society,

this book shows the price of citizenship willingly paid by the sons of earlier refugees. With Hero Street, U.S.A., Marc Wilson not only makes an important contribution to military and social history but also acknowledges the efforts of the heroes of Second

Street to realize the American dream.
