This hands-on workbook gives students practice in analyzing 30 natural languages from Akan and Arabic to Welsh and Yiddish, plus constructed languages like Klingon and Na'vi. In addition, audio files on the accompanying website allow students to hear much of the foreign language data pronounced by native speakers. Exercises progress in level of challenge and are divided into English and non-English sections, while sample exercises and solutions in phonology and morphology give students additional practice. An answer key with extended discussions and pedagogical suggestions is available. Although developed to accompany Finegan's LANGUAGE: ITS STRUCTURE AND USE, it is an ideal companion to any linguistics textbook. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The highly acclaimed and successful approach of Language in Use continues from the Beginner and contains the same supportive approach for learners.

Each of the four levels comprises about 80 hours of class work, with additional time for the self-study work. The Teacher's Book contains all the pages from the Classroom Book, with interleaved teaching notes including optional activities to cater for different abilities. There is a video to accompany the Beginner, Pre-intermediate and Intermediate levels. Each video contains eight stimulating and entertaining short programmes, as well as a booklet of photocopiable activities. Free test material is available in booklet and web format for Beginner and Pre-intermediate levels. Visit www.cambridge.org/elt/liu or contact your local Cambridge University Press representative.

Complete IELTS Bands 5-6.5 Workbook without Answers features 8 topic based units for homework and self-study which cover reading, writing and listening skills, further practise in the grammar and vocabulary taught in the Student's Book and an Audio CD containing all the listening material for the Workbook.

Supports students studying for Cambridge International Examinations IGCSE® English as a Second Language (ESL). The ideal companion to the coursebook, the write-in workbook corresponds clearly with the coursebook and provides students with additional

opportunities to practise, helping to build students' language skills and confidence in English as the course progresses.

This best-selling introductory linguistics textbooks treats language as both a system (structure) and a social tool (use) - an approach that serves students in many disciplines, especially linguistics, English, speech communication, and education. Features such as “ What Do You Think? ” and “ Try It Yourself ” prompt students to consider language in daily life and to begin thinking about language analysis, while new “ Language at the Bar ” features show them the real-world applications of linguistic analysis to criminal and civil legal cases. The wide range of exercises includes “ Especially for Educators and Future Teachers ” sections ideal for future educators, as well as “ Practice Exercises, ” “ Based on English, ” and end-of-chapter review sections. Based on sound scholarship and framed in a clear, friendly presentation, LANGUAGE: ITS STRUCTURE AND USE, Seventh Edition, helps students understand the uniquely human trait of language. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

First Certificate Avenues Workbook gives the student additional language practice and FCE training.

The course for teachers who want to get their students communicating with confidence. face2face is an easy-to-teach General English course that helps adults and young adults to speak and listen with confidence. The Workbook with Key offers additional consolidation activities and a Reading and Writing Portfolio for extra skills practice.

Aimed at young students, this comprehensive book includes an 'A-Z of Methodology' reference section. The levels 1-4 contain around 80 hours of class work depending on the various options used. The Starter level provides around 40-60 hours of class work.
