20 Best Book Math Made A Bit Easier Basic Math Explained ...

I recently purchased "Math Made a Bit Easier" by Larry Zafran. My interest in the book was due to my desire to help tutor young students in mathematics. Zafran's book could be quite helpful in guiding a teacher/tutor toward effectively aiding those students who are have having troubles with the very elementary aspects of mathematical mastery.

TextBook Math Made A Bit Easier Workbook Practice ...

Anything that hasn't truly been learned, regardless of subject, is "hard." Once the various concepts are more secure, and the student's gaps in understanding have been addressed, math will have been made "a bit easier" as promised by the book's title. However, the book does not imply that learning math is fast, fun, or easy.
