I'm looking for a manual for
a 4 HP 2-stroke Mercury
outboard from 1981. It's
Belgian made, two cylinder,
serial # 9321742, although
Mercury advised that I'd
need to put a zero before
the serial number (so,
09321742). I believe it's
model 4200 (or 1004200).
