Discipline in the Public Sector. Union employees in the public sector enjoy a number of job protections and due process rights including the requirement that an employer have just cause for any discipline, including a termination and that the employer utilize progressive discipline where possible. Additionally, employees have the right to respond to allegations prior to disciplinary action and to challenge disciplinary actions once implemented.

A disciplinary procedure is a formal way for an employer to deal with an employee's: unacceptable or improper behaviour ('misconduct') performance ('capability') Before starting a disciplinary procedure, the employer should first see whether the problem can be resolved in an informal way. This can often be the quickest and easiest solution.

Progressive Discipline Policy - SHRM  
Discipline in the workplace relates to training employees so they abide by the code of conduct. Without rules, employees might be inclined to do whatever they want. Typically, the human resources department or equivalent establishes the company ' s code of conduct that managers and employees must follow.
