Be Core Ready: Powerful, Effective Steps to Implementing and Achieving the Common Core State Standards is a transformational book for teachers, administrative leaders, literacy coaches, ELL specialists, special educators, media specialists, reading teachers, content area teachers, and families. In a teacher-friendly, conversational style, this book, provides a clear understanding of the most compelling topics emerging from the Common Core State Standards and introduces the groundbreaking 4 Doors to Core Ready approach to solving the questions of what to teach and how to teach it in this new era. The book addresses curriculum, close reading, text complexity, care for ELL and special needs students, meaningful assessment, and the active and meaningful use of technology and literature to help all students meet and exceed the standards.

Our 2nd edition New York 9th Grade ELA Test Prep for Common Core State Standards is an excellent resource to assess and manage student's understanding of concepts outlined in the Common Core State Standards Initiative. The material emphasized in this book is placed on Reading Literature and Reading Informational Text Common Core Standards. Practice problems in this book involve: explaining what the text says explicitly and when drawing inferences from the text; determining a theme of a story, drama, or poem from details in the text, including how characters in a story or drama respond to challenges; comparing and contrast two or more characters, settings, or events in a story or drama; determining the meaning of words and phrases as they are used in a text; explaining how a series of chapters, scenes, or stanzas fits together to provide the overall structure of a particular story; describing how a narrator's or speaker's point of view influences how events are described; analyzing how visual and multimedia elements contribute to the meaning, tone, or beauty of a text; and comparing and contrasting stories in the same genre. These standards are covered extensively through multiple-choice practice problems. This book contains over 250 practice problems aligned to each Common Core State Standard. In addition the book contains an answer key to practice problems. Paperback: 101 double-sided pages Publisher: Teachers' Treasures, Inc. Language: English

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. The Response to Intervention initiative has risen to the top of today 's instructional agenda and yet it is a process that is unfamiliar terrain for many teachers. To help teachers acquire a fuller understanding of the complexity of response to intervention designs, literacy researcher and best-selling author Dick Allington offers clear recommendations to guide classroom teachers in designing response to instruction (RTI) programs such that struggling readers will develop their reading proficiencies to match those of their achieving peers. Unlike any other book on the topic, Dick Allington provides a research-base that supports closing the reading achievement gap along with implications this has for designing RTI programs. In addition, Dick provides a comprehensive discussion of the factors that inhibit poor, disabled, and second-language learners from achieving and offers a number of research-based instructional strategies and routines for turning struggling readers into achieving readers. Teachers will be inspired and confident to design response to instruction programs! Take a look inside... Provides a complete review of what is critical to accelerating the development of struggling readers. Presents educators with a framework for how we might design response to intervention (RTI) programs such that struggling readers will develop their reading proficiencies to match those of their achieving peers. Features a complete analysis of response to intervention design (RTI) and offers a detailed framework for evaluating existing and future intervention efforts. Includes numerous websites that provide teacher-friendly information, strategies, and tools for accelerating reading development.

Respected authors Doug Fisher and Nancy Frey join Adam Berkin to present a simple plan that helps teachers move students towards higher achievement by capitalizing on seven research-driven habits of strong readers.

Provide your 3rd graders with rigorous reading comprehension practice! Close reading, vocabulary, comprehension, and writing activities support Common Core learning paths. Plus, downloadable home-school connection activities extend learning at home.
