The second installment of the Circle Trilogy did not disappoint but managed to choke me even more than "Black" - the first book that everyone should read prior to experiencing "Red". It has been a long, long time since a book made me tear up and this roused up with emotions and abyssal feelings that only very skilled writers can exude from their reader. This is a fascinating installment that ...

Circle Trilogy Black; Red; White: Dekker, Ted: Amazon.com ...

Author Ted Dekker offers an interesting premise in his Circle Trilogy (Black/Red/White) -- that a man can alternate between the present and the future through his dreams and influence one reality by his actions in the other. The series is also a fascinating Biblical allegory. The final book, White, is the best of the three, because it explains clearly in the finale most of the unanswered ...
