in Rugby drills Create pace onto the ball from a "free pass" to a static player by encouraging your players to organise themselves quickly and work in threes. When the rules state that a free pass has to be to a static player, your players have to be at ease with repositioning themselves to be able to generate some pace onto the ball.

Rugby Vests & Singlets | Nike & adidas Rugby Vests ...

The most successful rugby programs around the world take a periodized approach to rugby training. This means different training loads, exercises and objectives for different times during the year. Yes, you'll probably need to bench at some point, but depending on your training period you might be doing heavy weight, high reps or isometric holds.
