A Considerable literature has grown up in an attempt to interpret the Lives of the Celtic Saints. It is, however, concerned almost exclusively with hagiological, textual and literary problems and very little attempt has been made to appreciate the part played by these pioneers in determining the pattern of settlement and culture reflected in the earliest written accounts of native Welsh society.

The traditional functional concept of transpeninsular routes is discussed in E. G. Bowen's 1969 book Saints Seaways and Settlements.<sup>2</sup>Bowen drew on the earlier work of archaeologists such as Cyril Fox, Lily Chitty, Glyn Daniel, and O. G. S. Crawford.<sup>3</sup>They theorised that the distribution patterns of prehistoric artefacts such as pottery, bronze axes and monuments throughout northwest Europe suggested that people used a network

Saint Brynach died on 7 April, on which day his feast is celebrated. His church, beside the River Nevern, is his lasting memorial. The "Life of St Brynach" portrays him as something of a wild fellow in his youth but very virtuous after his conversion. The descriptions of his adventures (including amorous and ghostly encounters) display a degree ...
