## Read Book Shape Poems About The Seaside

This 124-line poem is often considered an elegy, since it appears to be spoken by an old sailor looking back on his life and preparing for death. He discusses the solitariness of a life on the waves, the cold, the danger, and the hardships. As such, the poem captures the bewitching fascination the sea holds for us, but also its darker, more unpredictable side.

~~Year 3 Shape poems | Broad Heath Primary School~~

In a strange city lying alone. Far down within the dim West, Where the good and the bad and the worst and the best. Have gone to their eternal rest. There shrines and palaces and towers. (Time-eaten towers that tremble not!) Resemble nothing that is ours. Around, by lifting winds forgot, Resignedly beneath the sky.

In the first lesson children read a shape poem about a storm at sea, analyze its features with a key, draw a picture to show the imagery and write how it makes them feel. In the second lesson children make a mind map of ideas for their own shape poem based on a storm on the template provided, with a checklist for the features.
