This volume is a part of the comprehensive study about social problems that India is facing at present. The whole study is divided into five volumes. This Volume Two deals with various fields of social work in India and is the Fifth revised edition of the earlier volume published in 1967.

Bookmark File

PDF Social

The fields covered have been discussed under five heads. Part One deals with concept and scope of social work as well as history of social work in U.K., U.S.A. and India. Part Two examines the social welfare services being provided for children, women, youth, labour and backward

Bookmark File
