Speakout is a comprehensive English course that helps adult learners gain confidence in all skills areas using authentic materials from the BBC. With its wide range of support material, it meets the diverse needs of learners in a variety of teaching situations and helps bridge the gap between the classroom and the real world.

'Speakout' is a 6-level general English course for adults, bridging the gap between the classroom and the real world helping students express themselves in English.

American Speakout is a six-level series based on topics that are relevant to students' lives and global in nature. Its emphasis on authentic listening opportunities and presentation of language in context enables learners to personalize the language they learn and express themselves confidently in real English-speaking environments. American Speakout follows a balanced approach to topics, language development, and skills work. Highlights Builds learner confidence Authentic, real-world language, challenging activities, and recycling of language builds student confidence in understanding context and communication. Video clips and interviews on the street expose students to a wide range of language and accents, familiarizing them with English as it is spoken. Encourages learners to spend more time on task Course package includes a wealth of practice material in specific areas including grammar, vocabulary, pronunciation, and skills. Clear objectives in every unit help students focus on what they will achieve so they can see how they are improving. Motivating lessons and practice materials engage learners, encouraging them to spend more time on task and make faster progress. Helps learners achieve their personal goals Tasks and activities encourage students to work collaboratively and build skills essential for both study and work. Helps learners see the relevance of what they are learning Clear goals and objectives aligned with the GSE/CEFR.

'Speakout' is a 6-level general English course for adults, bridging the gap between the classroom and the real world helping students express themselves in English.

Starter: Global Scale of English 22-32 Based on authentic clips from the BBC's rich archive, these lessons are designed to consolidate language and act as a springboard for further speaking and writing tasks. Twelve units with 90 to 120 hours of
