The term checker has a category of rules for plain English. Because the terms are not approved STE terms, you will see a warning message for each term. To prevent the warning messages, in LanguageTool Options, deactivate the rule 'Plain English for technical documents' (refer to ' Deactivate some default LanguageTool rules ').

Simplified Technical English rules

Technical documentation refers to any document that explains the use, functionality, creation, or architecture of a product. Think of it as a nuts-and-bolts “how to” guide for your users, new hires, administrators, and anyone else who needs to know how your product works. But while that sounds pretty straightforward, the results rarely are.
