A life hangs in the balance . . .A king held for ransom, a country under thumb, clans at one another's throats. Malcolm of clan MacKintosh has enough to worry about without finding a mysterious lass sleeping on the side of his road. He tries to help her – in his overbearing, arrogant way – and winds up flat on his back. God's blood, who is this woman . . . and why does she captivate him so?And only she can tip the scales.The fortune-teller said something about saving a life, then zapped Alethia Goodsky back to fifteenth-century Scotland – a land bristling with broadswords and intrigue. Alethia is no damsel in distress, though, even if brawny, blue-eyed Malcolm has sworn to protect her. With her wits and special abilities, she races to solve the gypsy's mystery and protect those she's come to love. The stakes climb higher and enemies close in, forcing Alethia to choose between finding her way home . . . and staying true to her Highlander.

Before he can settle down, blond-haired, blue-eyed Robley of clan MacKintosh needs to taste true adventure. So when the faerie Madame Giselle asks him to retrieve her stolen property in exchange for two enchanted tokens that will whisk him across the centuries, he jumps at the chance. Nurse and future midwife Erin Durie is broke and alone, thanks to a roommate who skipped town and the psychic gifts that make relationships too intense and painful to bear. Then a kilted man magically drops into her arms, looking for a guide to the twenty-first century, and she can't deny the attraction. But magical treachery soon throws open time's portal once more—and puts a blade to Robley's throat. Now Erin must decide where—or when—her healing powers can do the most good..and whether she can live without her handsome Highlander. In the second thrilling Novel of Loch Moigh, award-winning author Barbara Longley delivers more of the action, adventure, and romance that began in the pulse-pounding True to the Highlander.

A brave fifteenth-century Highlander fiercely devoted to his foster family, Hunter of clan MacKintosh can defeat any man in battle. Thanks to his fae gifts, he can read the intent of his opponents and guess their next moves. But when the faerie Madame Giselle sends Hunter to the present day, he stumbles into a staged battle and rescues a young knight--only to discover that the knight is a woman, and she's anything but a damsel in distress. Meghan McGladrey learned martial arts and sword fighting from her father, a time-traveling Highlander himself. To Hunter's surprise, Meghan is as skilled as any knight. When both of them are pulled back to the fifteenth century, Meghan becomes desperate to return to her time. Hunter, who is pledged to another, begins to fall for the beautiful, brave warrior as they fight side by side against a common enemy. Now, he must decide which matters more: his honor or following his heart. Exciting battles and intoxicating passion reunite in the third Novel of Loch Moigh from award-winning author Barbara Longley.

After her long-time boyfriend breaks up with her, Sloane Chatfield's well-meaning friends are so determined to put her back in the saddle that they're borderline obnoxious. When Sloane insists she's waiting for Jamie Fraser to come along, her friends surprise her with a trip to Scotland... to find her a new boyfriend. In order not to have her vacation ruined, Sloane is determined to pre-empt them. All she has to do is find the most remote part of the Highlands, get there first, find a Scot who will pretend to be her boyfriend, then break-up before they arrive. She figures no friend will try and match her up while she's nursing a second broken heart. Galen Buchanan has his hands full trying to keep the family pub afloat in a remote Highland village. Everything is falling apart, he's running out of money, and now there's a buttoned-up American princess that has, for some reason, landed on his doorstep.... and takes his best table and hogs his wifi all day. She may be cute, but she's also full of free advice and doesn't like the way they do things in the Highlands. Then she proposes something completely outrageous—that he be her pretend boyfriend...and offers him enough money to save the pub. It's only for a few days, he figures. What's the worst that could happen?

A time-travel romance for fans of Diana Gabaldon and Hazel Hunter. To set him free from an ancient curse, she must travel to a time of myth and legend.. Regan MacCarthy's ability to see ghosts is a gift inherited from her Irish ancestors, but it's one she'd dearly like to give back. In an attempt to return her powers to their source, she travels to Ireland to harness the ancient magic that still permeates the mystical site of Newgrange. Instead, something far more unexpected awaits her: a strapping, gorgeous stranger who insists he's a centuries-old Celtic warrior. Fein was one of Fionn MacCumhaill's elite soldiers before being cursed by a resentful fae princess. The only way to free himself is to fall so deeply in love that he'd sacrifice his life. Not an easy matter when he's invisible to most. Yet Regan sees him--not just the proud, handsome warrior on the surface, but the complex man beneath. Only when it's too late does Fein realize that drawing this beautiful mortal into his world has endangered them both, and may destroy the happiness he's waited an eternity to claim..

On the eve of her wedding, Sky Elizabeth, the earl of Fife's eldest daughter, learns of her betrothed's murderous plot against her. As she flees, Sky falls through a mysterious portal in time, landing at the feet of a twenty-first-century American knight. Struan, the bastard son of the earl of Sutherland, escaped death through time's portal once. Recognizing what has befallen the frightened woman, he vows to protect her even while Sky, with a trace of fae blood in her veins, senses his resentment. Despite their growing attraction, she's determined to find a way home to avert a clan war. Though he cannot deny his desire, he fears that helping her return to the past will surely lead to his demise. As the two work together, passion ignites and an unbreakable bond forms--but will it be enough to sustain them through the perils they'll face in the past? Can their love have a future?

To seal a truce between warring families, sworn enemies Fiona Sinclair and Myles Campbell are set to wed, but Fiona's vow to herself to protect her heart from the man she was raised to hate is more difficult to keep than she thought.

He would sell his warrior soul to possess her. . . . An alluring laird... He was known throughout the kingdom as Hawk, legendary predator of the battlefield and the boudoir. No woman could refuse his touch, but no woman ever stirred his heart--until a vengeful fairy tumbled Adrienne de Simone out of modern-day Seattle

and into medieval Scotland. Captive in a century not her own, entirely too bold, too outspoken, she was an irresistible challenge to the sixteenth-century rogue. Coerced into a marriage with Hawk, Adrienne vowed to keep him at arm's length-but his sweet seduction played havoc with her resolve. A prisoner in time... She had a perfect "no" on her perfect lips for the notorious laird, but Hawk swore she would whisper his name with desire, begging for the passion he longed to ignite within her. Not even the barriers of time and space would keep him from winning her love. Despite her uncertainty about following the promptings of her own passionate heart, Adrienne's reservations were no match for Hawk's determination to keep her by his side. . . .

One Night. His Rules. It's a Devil's Bargain. She calls it a devil's bargain. I call it a deal she can't refuse. I was owed a debt and I expected payment. That payment? One night in my bed. My rules. The debt cleared, and she could walk away. There are worse things. And besides, debtors can't be choosers. The night started as it should. She obeyed as she should. But then something happened. Something I was unprepared for. And what I saw changed everything. I broke my own rules after that. And I didn't keep my end of the bargain. Because walking away was no longer an option I would grant her, no matter the cost. Author's Note: Devil's Bargain is a Standalone Romance from the author of the Benedetti Brothers Mafia World and the Dark Legacy Trilogy.

Whether it's repairing a home or taking care of clients' other needs, Twin Cities handyman Sam Haney is in demand from his mostly female clientele. Despite Sam's lothario reputation, love isn't part of his portfolio. He's built a lot of walls in his time, but the one that's surrounded his heart ever since the death of his parents is his most solid yet. Haley Cooper has had enough heartache for a lifetime. Her high school sweetheart up and moved to Indonesia--alone--just two weeks before their wedding. Her mother thinks it's time for Haley to move on and contracts Sam to work on Haley's wreck of a house--and anything else, if he's got the notion. Sparks fly and passion ignites. But Haley isn't into Sam's love-'em-and-leave-'em act. She wants something more. Fixing a house is one thing, but for this handyman, building a relationship will need a whole different set of skills.
