The Rise of the Victorian Middle Class - BBC
The middle way is the course we must chart, as we sense the emergence of a new paradigm. In this moment of profound instability, there is the potential for substantial progress. We are questioning our systems and structures, putting a microscope to institutions that have long provided stability, sometimes at the expense of justice and equality.

The Middle Way
policy of the middle way marks a third road between the extreme poles of Scandinavian social democratic welfare capitalism (Korpi 1978) and political economies in which bourgeois tendencies dominate. From the standpoint of the majority of the electorate, the outputs and outcomes of the policy of the middle way involve just it wants: high levels
