~~Thinking Small: The United States and the Lure of ...~~

Daniel Immerwahr tells how the United States sought to rescue the world from poverty through small-scale, community-based approaches. He also sounds a warning: such strategies, now again in vogue, have been tried before, alongside grander modernization schemes—with often disastrous consequences as self-help gave way to crushing local oppression.

Readership that it deserves.

~~Thinking Small: The United States and the Lure of ...~~

“ Daniel Immerwahr ’ s Thinking Small: The United States and the Lure of Community Development pours a bucket of cold water on this type of thinking, now experiencing a resurgence among development agencies, policy entrepreneurs, and influential foundations. It uses three case studies (in India, the Philippines, and the United States) to upend the stock portrait of mid-twentieth century development, which focuses on the evils of top-down intervention.
