It's complicated, and it begs a lot of philosophical questions (are we bound to eventually hate our current outfits?) but, at the end of the day, fashion is to enjoy and shouldn't be taken too seriously anyway. So, after much deliberation, these are the certifiably dead trends that we at ELLE wish to never return.

31 Best To die for fashion images | fashion, high fashion ...

Once upon a time fashion was only for the upper class. Clothes were custom-made to fit the bodies of rich patrons, who could pay for top quality fabric and workmanship. Fashionable patters filtered down slowly, so that the lower class could copy them and produce their own clothes with lesser materials.

Fashion to Die For: Did an Addiction to Fads Lead Marie Antoinette to the Guillotine? By Hunter Oatman-Stanford — May 11th, 2015. Share. Fast fashion might seem like a modern invention, but in the turbulent world of 18th-century France, when Marie Antoinette was calling the shots, fashion moved at light speed: In an era when several artisans would be called upon to labor over a single garment, styles shifted by the hour, rendering fashion magazines, which were printed every 10 days ...
