Brian Friel's play 'Translations' is surely one of the greatest plays of the 20th century. I caught wind of a major production of the play at the Abbey theatre in Dublin. By its dates, mid-July to mid-August I thought it must come to the Edinburgh Festival Fringe but it isn't and it won't. I saw a production of 'Translations' at the Donmar some years back and want to see it again but alas I ...

Seminar paper from the year 2010 in the subject English  
Language and Literature Studies - Literature, grade: 2,3,  
University of Wuppertal, course: The Politics of Irish Drama,  
language: English, abstract: 1. Introduction The title of the  
play in question written by Brian Friel, namely Translations  
identifies one of the common concerns the leading Field Day  
dramatist shares with other postcolonial writers and which is  
subject of analysis in this essay. The playwright himself  
emerges as a translator of the Irish Gaelic past, illustrated by  
the fictional Gaelic-speaking community Baeile Beag in  
Donegal, into the political and economic realities of an  
Anglicized Ireland. The interpretation will be put forward that  
the central notion of the play is the unreliability of translation.  
Before one examines Friel's utilisation of the concept  
'translation' in the same-titled play, the technical term itself  
has to be clarified by drawing on some insights from  
translation theory. In addition to that, some brief comments  
will be made regarding the essay's underlying ideas of  
language, culture and identity as these will be frequently  
points of reference during the course of this essay. In order to

justify the interpretation introduced above, Friel's theatrical device that is, to have the play enacted monolingual in the colonisers' tongue has to be commented on. It will be illustrated that the shift from one language (Irish) to another (English) is presented in the play as a predictable consequence of at least three forces: Firstly, the establishment of the National School System; secondly, the utility to learn English; thirdly, the perhaps strongest force presented as a powerful metaphor, the ordnance survey. The subsequent interpretations are rather based on character readings. Sarah, the mute hedge school student is of special interest because she represents the close connection between name and identity. Owen, the hedge school teacher's younger son has to be paid closer attention to because of his deliberately performed mistranslation. After considering Yolland's realistic articulation of the concealed cultural divide that separates him from the people of Baile Beag, Hugh's remarks about language will be addressed.

not only physically but also verbally through literature. This struggle for power is represented in Brian Friel's *Translations*. The play takes place in 1833, a time of the first Ordnance Survey, and emergence of the new National Schools; the action happens at a hedge school in a small Irish speaking community, where no English is taught or thought to be important. Nevertheless, throughout the story the English language becomes more and more dominant as English soldiers arrive, the mapping of Ireland becomes central, or the national schools were simply responding to the needs of the times. Language plays not only a significant role in the story but is also a powerful element. In *Translations*, a power shift is represented through the change in the use of and the attitude towards language as well as through the process of language substitution. This paper discusses these changes in relation to the element of power within Ireland.

Seminar paper from the year 2017 in the subject Literature - Modern Literature, grade: 1,3, Catholic University Eichstätt-Ingolstadt, language: English, abstract: Brian Friel's play "Translations" takes place in Baile Beag, a rural, Irish-speaking community in County Donegal, and is set in the year 1833. Its historical setting marks a major transition within the Irish culture, which was progressively eradicated by the British colonizers at that time. This paper examines the concept of love in "Translations". All kinds of romantic love presented in the play will be analyzed. First, the focus will be on the asymmetrical love between Sarah and Manus as well as on its consequences. Then, the conflict-laden love triangle between the engaged couple Manus and Maire, and the newly enamored lovers Maire and Yolland will be analyzed precisely. After that, there will be an insight in Jimmy Jack's love towards the ancient Greek goddess Athena.

Studienarbeit aus dem Jahr 2006 im Fachbereich Anglistik - Literatur, Note: 2,0, Otto-von-Guericke-Universität Magdeburg (Institut für Fremdsprachliche Philologien), Veranstaltung: Literature - Contemporary Irish Drama, 30 Quellen im Literaturverzeichnis, Sprache: Deutsch, Abstract: Wie im vergangenen Literatur-Hauptseminar zur Umwandlung, Geschichte und Reformation der irischen Dramen deutlich wurde, hat es gerade im Verlauf der letzten Jahrzehnte eine Revolution im Denken und Wirken irischer Theater-Autoren (und dementsprechend in der Popularität ihrer Stücke) gegeben, die diese in noch stärkerer Masse mit einer eigenen irischen Identität ausstatteten und in ihrer Vielfalt sowie der Symbolhaftigkeit eine neue, modernere Epoche des irischen Dramas geprägt haben. Von besonderer Signifikanz war diese Entwicklung insbesondere deshalb, da dies auch in engem Zusammenhang mit Irlands Kolonisationshintergrund, seiner Unabhängigkeitsbestrebungen und dem Wunsch vieler Iren nach kultureller Eigenständigkeit, innenpolitischer Unruhen, aber auch dem wirtschaftlichem Ab- und Wiederaufstieg begründet liegt und erklärt werden muss. Denn dies ist es letztlich, was das irische Theater ausmacht - die Frage bzw. Hinterfragung irischer Identität und ihre Verarbeitung in der Dramenkultur Irlands: Ever since Lord Mountjoy and Neale Moore watched Goroduc in Dublin Castle in the months before the Battle of Kinsale in 1601, Irish audience have brought into the theatre a concern with what it means to be Irish (or to be in Ireland, which is not necessarily the same thing)." Doch gerade rückblickend auf die Theatergeschichte der vergangenen Jahrhunderte galt es für die Autoren der Dramen den Spagat zwischen den vorherrschenden Definitionen irischer Kultur, der Geschichte Irlands und der eigenen kreativen Freiheit zu finden, was sich nicht immer einfach gestaltete. Dies lässt sich in erster Linie durch eine

Friel has written an historical play about Hugh O'Neill, Earl of Tyrone, who led an alliance of Irish and Spanish soldiers against the armies of Elizabeth I in an attempt to drive the English out of Ireland. The action takes place before and after the Battle of Kinsdale, at which the alliance was defeated.
