Besides the improper rendering issue, I felt the book was somewhat shallow and topics were not described very well. The book also does not contain any form of answer key. So you get a lot of questions/problems to work, which is nice, but there are zero answers for them. Also they do not tie everything directly back into understanding arguments.

cost. Still, this editorial presents an argument worthy of serious consideration. It is not our purpose now to decide whether this argument is a good one. We will return to arguments like this one in Chapter 11. Rather, the point of looking at it now is to contrast the reasoned argument it contains with the less focused outburst in Example 1.
