8. This interesting book never
mentions Integrated Care as
such, even so it is always relevant
for readers of IJIC and sometimes
both enlightening and
entertaining.

Values In Professional Practice

Lessons For Health Social ...

Values are complex and they work to shape who we are as professionals. The values are demonstrated through all our professional relationships and practices. The connections between values and practices need to be regularly considered over the course of an individual's career. This is an important part of being a critically reflective and enquiring professional.
