It has been a well-known fact that astrology was called the eye of the Vedas, for it threw light on matters relating to timing events. The conduct of Vedic rituals had to be timed at a specific period, hence astrology was put to this use. In the modern context, this divine science is used to interpret birth charts to have an overview of an individual's personal and professional future in terms of success and prosperity. The book deals with this analysis at great length and enlightens a lay reader about the subject.

practitioners often failed to defend the veracity of the subject and dispel the scepticism of modern intellectuals. The ancient revelations have been restated here to meet contemporary requirements. The ancient seers presented Vedic Astrology under various assumptions and in allegorical and symbolic languages. They assumed polydimensional extension of human consciousness which was closely related with planetary impulses. Apart from the general approach to this ancient science, the study presents in depth the astrological description of the nature of man. It also provides deeper implications of various planetary combinations. Advanced practitioners as well as general readers will find the book informative, illuminating and highly rewarding.

This book deciphers the intricacies of the compatibility of zodiac signs, the attraction between people of diverse temperaments and what leads to romantic alliances and conjugal ties.

Vedic astrology or Jyotisha is an ancient Hindu system of astrology, it is the knowledge that has been given by the sages of ancient times for the welfare of mankind. The book principles of Nadi astrology is the very first book of Astrologer Gopalakrishnan is an eye opener in the world of Nadi astrology. Many people has not understood the usage of transit in Nadi astrology. this was the first book which explains clearly on the usage of the major transit like Saturn , Jupiter Rahu and Ketu. the lagna was used as the important starting point of the transit. Earlier most of the astrologers were using the Chandra lagna as the important point of the transit. Also the lordship of the transit of the of the planet where used rather than the Rashi is in which the planets were translating. This has brought a lot of appreciation. There are various kinds of nadi which uses variety of techniques to predict. Of course the result can vary from nadi to nadi. For instance in Bhirugu Nandi Nadi the karakas are used for predictions like venus for marriage, jupiter for self. Meena nadi uses the nashaktra paddathi which was popularized by the K.P people. Also people do not use Nadi amsa. so this book covers everything. This book is an eye opener for many people who have been exposed to nadi astrology. Many people think that some ancient rishis have written in
