Hurricane! The Bob Hannah Story is the first book to explore the life of American motocross and Supercross racing ' s first superstar. From the time he raced the Husqvarna he bought with " ones, fives, tens, change; all of my savings, " until his retirement at Unadilla in 1989, Bob Hannah won races and championships, spoke his mind, and signed almost every autograph-seeker ' s program. Told as an oral history by Hannah himself and by those who know him best, this book is full of stories that could only have happened to a character as colorful as the Hurricane. The tale author Tom Madigan tells is the life of an American original, a boy who went from riding dirt bikes in the desert with his father to taking the motocross world by surprise. By the time Hannah retired in 1989, he had collected 70 AMA National wins, seven AMA National titles, a MX des Nations title, and legions of devoted fans. When inducted into the AMA Motorcycle Hall of Fame in 1999, he was second to none in both total and consecutive wins. Richly illustrated, this is the definitive biography of the Hurricane.

Engine-tuning expert A. Graham Bell steers you through the various modifications that can be made to coax maximum usable power output and mechanical reliability from your two-stroke. Fully revised with the latest information on all areas of engine operation, from air and fuel, through carburation, ignition, cylinders, porting, reed and rotary valves, and exhaust systems to cooling and lubrication, dyno tuning and gearing.
